CAN CONSULTANTS UPDATE APRIL 2018

CAN Consultants are volunteers recruited from and through the County Associations, whose role is to act as a focal point for views and information from the network on their chosen activity, summarise opinions about how to promote that activity and, having discussed them with the relevant member(s) of England Squash staff, putting proposals to the network via email to CAN or at a CAN meeting

We also have some volunteers prepared to act as Advisors to County Associations on specific topics. They are included below
